

Forensic Digital Imaging Workshop With Adobe Photoshop

When: October 26 – 28, 2009
Where: Lawrence, KS
Cost: \$400 per person*
Instructor: George Reis

This is a great opportunity to get this three-day, hands-on workshop at a special price.* Each student will have their own computer workstation and work with Adobe Photoshop CS4.

Topics covered include:

- Best Practices and Court Issues
- Non-Destructive Image Processing Techniques
- Using Adobe Bridge for Navigation, Batch Processing, Sorting Files, etc.
- Using Adobe Camera Raw for batch processing of TIFF and JPEG files
- Color/Brightness/Contrast Correction
- Latent Print enhancement with Photoshop
- Forensic Video Analysis with Photoshop
- Creating Dynamic Court Displays

* Note: A grant is being used to offset the price of this workshop. Sign up now to take advantage of this special pricing – only 16 seats available!
