Coroner Scene Investigator – Sheriff's Office

Douglas County Sheriff's Office (KS) is accepting applications for a Coroner Scene Investigator. This position will report directly to the Coroner Scene Investigator Coordinator.

This is highly skilled technical position that completes death investigations for all types of unattended deaths within Douglas County including homicides, suicides, accidents, and other deaths the County Coroner deems necessary. Conducts follow up investigations by interviewing subjects, documenting coroner scenes, report writing, evidence identification/collection and processing. Investigations may involve multiple agencies and jurisdictions. Examines coroner scenes to identify, document, collect and process evidence. Testifies at hearings or court trials to present evidence. Works with other law enforcement personnel including fire, emergency management services, city public safety departments, and legal counsel. Enforces and maintains compliance with all Federal, State, and local laws and ordinances.

This position requires knowledge of coroner scene investigation techniques with particular reference to the determination of unattended deaths, criminal deaths, natural deaths, deaths by accident, suicide and deaths during incarcerations. Knowledge of practices and methods of coroner scene investigation and identification.

Required certification in American Board of Medicolegal Death Investigation and education is a bachelor's degree and a minimum of one year of experience or a combination of education and experience.

Starting salary \$46,966 to \$70,470 with an excellent benefit package. The starting salary is dependent on qualifications. The successful applicant will be required to pass a background investigation, a polygraph examination, and drug screen prior to appointment. A complete job description is available by request through the personnel office. Submit application with resume and references online at www.douglascountyks.org/employment The position will be open until filled.
