## Crime Scene Investigator

The Douglas County Sheriff's Office (KS) is accepting applications for a Crime Scene Investigator

The successful candidate in this position will:

- Perform non-commissioned technical work collecting, analyzing, documenting, and preserving evidence from crime scenes; conducting laboratory analysis of evidence; reconstructing crime scenes; and testifying in court about findings and methods.
- This person will also handle evidence room functions to include item packaging, moving, storing, and assisting in court ordered destruction of items.
- Additional duties including research of case dispositions, interaction with public, data entry, and providing information and assistance regarding department policies and procedures.

Preferred education/experience: Bachelor's degree in forensic science, the natural sciences or related field and 1-3 years in a law enforcement agency working with evidence or 5 years of experience in crime scene investigation; or significant experience in a law enforcement setting may substitute for bachelor's degree.

License and Certification Requirements:

- ❖ Valid driver's license, or ability to obtain.
- ❖ IAI Certification, or ability to obtain within one (1) year of the first eligibility date.

Douglas County is dedicated to eliminating racial inequities. Candidates will demonstrate the ability to develop and maintain working relationships with diverse coworkers, community members, and customers.
